## RESIDENTIAL BURGLARY SUSPECT VEHICLE

January 30, 2013

AUDI Q7 – IMAGES ARE NOT ACTUAL VEHICLE

**DETAILS:** On Monday, January 28, 2013 at 10:16 a.m., the victim was inside his residence in the 5500 block of Sara Drive when the suspect kicked in the front door after two minutes of loudly knocking and ringing the door bell. Armed with a shotgun when the suspect forced entry, the victim chambered a round and ordered the suspect to leave. The suspect turned, pulled the door shut and fled the area in the suspect vehicle. The adult victim's parents had just left the residence when the suspect began knocking on the door.

On Thursday January 03, 2013 at 7:37 a.m., suspects attempted to enter the victims' residence in the 20000 block of Entradero Avenue shortly after they had left for work. A neighbor observed the suspect vehicle park on the west side of the street across from the victims' residence. The suspects exited the suspect vehicle and walked up the victims' driveway – one to the front door and the other to the north side of the driveway. The suspects then walked to the north gate, peered over and entered the north side of the property. Suspects attempted to open a pedestrian door to the residence, but when it was found to be locked, both suspects proceeded to the rear east yard at which time the witness lost sight and contacted the **TORRANCE POLICE DEPARTMENT**. While the witness was on the phone, the suspects reentered the suspect vehicle, fled southbound Entradero to westbound Wilma and out of sight. No entry was made to the residence.

### **SUSPECT DESCRIPTIONS:**

In both incidents, the suspects were described as black male adults in their 20s.

### **SUSPECT VEHICLE:**

The suspect vehicle captured on video surveillance at the time of the residential burglary in the 5500 block of Sara is a black, newer model Audi Q7 SUV (actual vehicle is pictured above). The vehicle description for the residential burglary in the 20000 block of Entradero is a black Range Rover or Land Rover SUV.
